 - Some parents voiced they would like coaches pitch to be more competitive/ others voiced concern that it would turn into a similar situation to flag football.
 - Recommended player and parent conduct forms to be given out
 - Discussion on who should be responsible for handing those out.
 - Parents recommended having officials instead of coaches calling the games/ discussion on how hard it can be to get officials and fields
 - Parents asked if they could have a Dixie league coaches pitch/ Lucas stated he would reach out to see if there would be any interest in the other Dixie league teams
 - Feedback from Tball parents and coaches on the Tball shirts- poor quality and complaints on fee being \$35 and only having 3 games
- Discussion on making one All Star team for Dixie next year with players from both RR and FC
- Feedback given to FCYL board on the rush for all sports when starting.
- We plan to have a baseball meeting much sooner to begin planning
- Feedback and concerns from members on the communication from the board and expectations. Would like for more of a group effort on getting pictures set up and not left up to the coaches only.
- Football-
 - Draft camp will be the week of the 21st
 - Varsity coaches will help set up for Flag camp and then the younger coaching volunteers will take over. At the end of flag camp a end of camp game will be held at the high school like last year.

 - Drafting process- email from WCPR was sent out stating the county wants to implement a new draft process- they do not want to allow for choosing assistant coaches and a snake draft process. A vote was held on if the FCYL as a whole agreed to disagreed to adapt this new process. Unanimous vote to NOT adapt the new drafting process.
 - New JV jerseys to be purchased this year to match the Varsity jerseys purchased last year.
 - August 9th will be the Jamboree this year.
 - Practices can start July 28th

- Lucas advised he was stepping down as VP from the FCYL. He has given 30 day notice.
- Suggestion from Lucas to possibly look at using Team Pass app.
- Discussion on possibly utilizing more “official” roles on the board such as social media rep, concession head, etc.
